Justice for Jasmine

Cause of Petition:

With the collapse of Operation Jasmine, where the police investigated more than 100 cases of alleged neglect and spent more than £13 million, it has meant that those affected have had no justice and those responsible for the neglect have not been held accountable. We call for a Public Inquiry to take place to ensure that all aspects of the cause of neglect are fully investigated and that new legislation is passed to make certain that people in nursing homes will receive a higher standard of care and if they do not, that they can then obtain redress via the appropriate agencies and the legal system.
